EXAMS

ALL CLASSES ARE CANCELLED ON EXAM DAYS.

Arrive at least 10 mins early for exams.

Cross line classes have first priority for exams. **Students with clashes need to negotiate an alternative exam time with their teacher(s). Students with ASBA commitments must negotiate with employers and attend exams at the school.**

If you are sick for an exam you **MUST** contact the college immediately (61423660) and bring in a **MEDICAL CERTIFICATE** as soon as possible. Failure to do so may result in a V grade.

Please note also that **you must make a substantial attempt in an assessment item** – if little or no work is correctly completed on the exam paper, you may still V grade the unit.

A limited opportunity exists to change classes during week 19 on Thursday and Friday, depending on package requirements (especially for Yr12), the availability of appropriate units, and places within classes. No changes will be made after the holidays.
